

INFORMATIONAL NOTICE

The California Department of Transportation will begin a pile-driving operation on the southbound Ventura Freeway (U.S. 101) at Bates Road on Wednesday, June 19 that will last for approximately five months.

Hours will be 7 a.m. to 4 p.m., Monday through Friday.

The work involves construction of a retaining wall in relation to the US 101 Carpool Lane Improvement Project from Mobil Pier Road to Casitas Pass Road.

Caltrans will take every measure to minimize impacts from this work however residents may occasionally experience elevated levels of noise and vibration.

For questions or to obtain additional information, please contact the project hotline at (855) 454-6335.

Caltrans appreciates your patience and cooperation as we move forward with this vital transportation project.
